very good beyond forty miles, Captain Drinkwater, in charge of this weakness especially affects his legs. He made slight attempts to walk to day. He etation, is a North Carolinian, and has as family here. He has lived in this achborhood some years. An officer aptain was closely occupied, so that he ad no time to put my boat into the surf. ut will do so to-morrow. But for maternal miscalculations I would have been here in March, when old Neptune has his equinoctial carnival, and I would have ad a better chance to be roughly han-ied, but perchance the exhibition torrow may be altogether satisfactory

riday, April 27th, the day opened bright and beautiful, and the men at the station were ordered to make a generai cleaning up preparatory to leaving on Monday. The beds were sunned and slats dipped in boiling water. Every room was scoured and every piece of furniture even to the iron kettles, chairs, and spittoons—cleaned. It would have rejoiced a No. I howeverfeto see how thoroughly this whole thing was done. 11 was now 2 o'clock. Captsin Drink-water had told me the day before, as before stated, that he would to day go before stated, that he would to day go down with me and see my bost launched. It being now 3 o'clock I thought it time to remind him of his promise. He very coolly replied he "did not think" he would go. I had before told him the men were willing to help me. I am glad to say that the Captain's soon, who is employed at the station, was samong the first to offer to go with me. We hastened at once to see if with our small force (four men) we could launch the boat. We soon found it impossible. I then went about a mile down the boat. The son found got Captain Price, who is fishing and got Captain Price, who is fishing here with a pound not, and who has a here with a pound not, and who has a here with a pound not, and who has a large numbers, and the sheriff telegraphed to the Governor for troops. Four companies from Montprivation deavanced agricultural implements occurred to day in a tunnel in course of construction near Messina. Six working the work were fitted and many more fatally injured, several of whom were rescued in a dying condition. At the time of the accident 350 workmen were in the tunnel.

HAPPENINGS IN MANCHESTER.

aved from Mayo's bridge to the south epicures for their patients' sake as well

Davenport about the same amount, and land. It is quite certain that, if after great men had the beatitude of dying at Alpena, Mich., something ever one the street is newly paved it is cut up to at a table like some of the smaller let in water-pipes, it will never be en-tirely good and smooth again.

OMANA, NER., May 4.—A special from Arlington, Neb., says: This morning a fire was seen on the farm of Widow Freeze, one mile out. A posse of citizens went out and were horrified at find-

mittee, the recognized head of the party organization in this city. All good Democrats know their duty, and they should not fail to do it. They should certainly not, by their votes at least, allow an opposition ticket to defeat the Democratic ticket.

PERSONALS AND BRIEFS. Judge B. A. Hancock was in the city

yesterday.

Miss Clay Willis, of Chesterfield, is
the guest of her sister, Mrs. D. L. Pul-Mrs. J. W. Bronaugh, Jr., is visiting

her brother, Dr. John Bransford, of the United States navy, in Washington.
The Old Boys' Pleasure Club gave
their last ball of the season at Odd-Fellows' Hall last night. There was a large attendance, and the success of the evening, May 3, 1888, by Rev. James C. Marilo, Mr. William R. Panken and Miss Eliza-Bern Taylon; both of Biehmond, Va. lision occurred on the Jacksonville Fellows' Hall last night. There was a Southeastern railroad early yesterday large attendance, and the success of the large attendance, and the success of the of arrangements.

Tuesday is registration-day, and the

registrars will be found at the regular voting-places.

The dust on Hull street, especially the upper portion of it, was worse yesterday

than it has been this year. Commencing to-morrow and con-tinuing until further notice the Sunday service at the Richmond and Danville reading-room will begin at 3 o'clock and

Fowlkes Sent On-Other Cases. William A. Fowlkes, a negro, was be-

fore the Police Court yesterday morning charged with unlawfully and feloniously forging and attempting to utter a certain paper called a negotiable note for the amount of \$22, signed W. A. Fowlkes and purporting to be endorsed W. R. Mal-All of the facts in this case were published yesterday. Fowikes waived examination and was sent on to the grand jury.

J. C. Hannon, charged with being

drunk and recklessly driving a horse attached to a buggy and breaking and injuring the same, the property of S. B. Nelson, was fined \$15 and costs. Maggie Turpin (colored) was fined \$5

and costs for improper conduct on the streets Annie Gardner (colored), malpractice on herself. Continued until Tuesday the 8th instant.

An examination was held in the con tinued case of Samuel Abrams, charged with attempting to make a felonious assault upon Emma Schwartz, an eight-year-old child, and he was sent on to the grand jury.

Richmond Theatre At the matinee to-day and again at night McNish, Johnson & Slavin appear at the Theatre. This minstrel company is at all times welcome, but more espe-cially so at this present time, when Rich-

mond is not suffering from a surfeit of amusements but rather from a drought of theatrical entertainments. It may, therefore, with safety be predicted that both at the matinee to-day and to-night this well-known company will play to crowded houses. The press wherever they have appeared are enthusiastic in Grain, Provisions, Cotton, Tobacco, Turtheir praise, and with the many attractive novelties they claim to produce a rich reward is premised to all who at-

rich reward is promised to all who attend.

The Baptist Traiu.

Dr. O. D. Cheney, of Boston, Mass., telegraphs to Dr. A. E. Dickinson:

"We have now four hundred orders for the New England Baptist train for Bichmond," and he asks if the hotels will take two hundred more.

Rev. A. C. Osborne, D. D., of Albron, N. Y., also writes Dr. Dickinson of an excursion from his city, and asks that the gates of Richmond be opened to New York Baptists.

These excursionists will reach here about the 22d instant.

Raitroad Department Y. M. C. A.

This department will unite in the series of special meetings for men to be held at the hall of the association, corner Sixth and Main, commencing to morrow afternoon. Therefore the usual synthesis was greated than as any the strength of the wind and both show material losses this evening. As usual the market showed more strength during the forencoon, and nowithstanding the first for a show in the rates for steriling exchange, outside orders to buy on a decline from the commission bouses gave the market to-day. The total sales were the smallest for over two weeks, while speculation was at its lowest obly made in the strength of the day. As a consequence the final price are lower in most cases than last evening. As usual the market showed more strength during the forencoon, and nowithstanding evening. As usual the market showed more strength during the forencoon, and nowithstanding evening. As usual the market showed more strength during the forencoon, and nowithstanding evening. As usual the market showed more strength during the forencoon, and nowithstanding devening and inscitute the transfer from the scoke was the leader of the market was fairly as a strength the city day to make the market week and their hands most of the day. As a consequence the final price are lower to have the market boday. The total sales were the market boday.

New York, May (.—Almost all the vim seemed to have deeparted from the scoke market to-day. The total factor was a list of the tar. As a consequence it morrow afternoon. Therefore the usual was greater than a range sunday afternoon meetings at the Chesapeake and Ohio reading-room will be suspended until the special meetings mentioned are over. Railroad-men are cordially invited to attend this series of
